ACT Data Over Time – Orion High School’s Students Consistently Out Perform the State and Nation

Leavers, Going to College and Staying in College

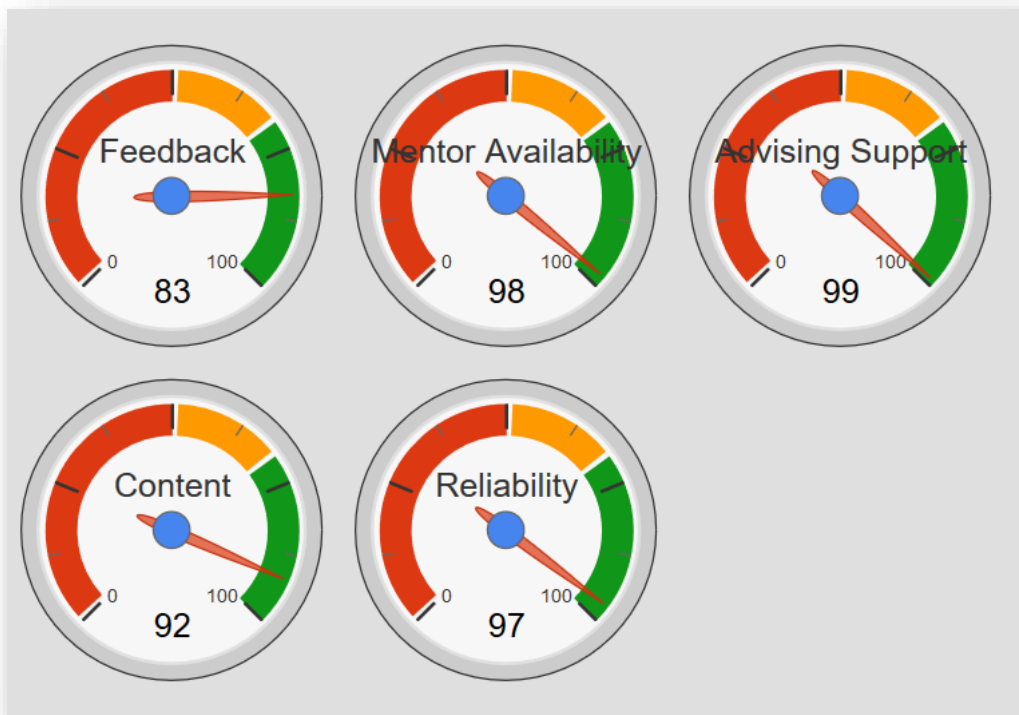

Orion High School’s learners stay with us through graduation, because of the support, encouragement, and trust they have in our school and in our teachers. Fewer 96% of our graduates go to 2 and 4 year colleges and universities, and out of those, 98% stay in college to complete an associates or continue on to an undergraduate degree. Our graduates are represented in universities across the USA and around the world, including UT Austin, MIT, UCLA, Penn State, University of Georgia, School of Dentistry in Saudi Arabia, and many, many more.

Orion High School is accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement. Approved by the Commission of the Texas Private Schools Accreditation. Orion is an institutional member of iNacol, and is a candidate for accreditation with the Association of Christian Teachers and Schools and the Middle States Commission.

What Our Students Say About Our Mentors (Teachers)

The highest level of learner satisfaction is our goal. Through our consistent survey of customer satisfaction, our learners rate us high on the feedback and assistance they receive from their mentors; on the flexibility and availability they get from their mentors, and on the level of assistance through graduation planning that they receive from their dedicated Graduation Adviser. They also rate our proprietary courses/content at a high level, because after all, that is the important content that they learn and retain.
